"AGRICULTURAL ACT, 1915."

HIS HONOUR the Lieutenant-Governor in Council has been pleased to approve the Regulation published hereunder.

REGULATION.

A Regulation to provide for Borrowing the Sum of \$1,000,000 upon Debentures for the Purposes of the Agricultural Credit Commission.

Whereas pursuant to an Act of the Legislature of the Province of British Columbia, passed in the year 1915, as chapter 2, the Agricultural Credit Commission is empowered from time to time, with the approval of the Lieutenant-Governor in Council, to make, execute, deliver, and issue securities for such sum, for such period not exceeding thirty years, and such rate of interest as the Minister of Finance and Agriculture of the Province of British Columbia may determine:

And whereas it is expedient for the said Commission to borrow the sum of \$1,000,000 and to issue debentures therefor upon the terms and conditions hereinafter set forth:

And whereas the Minister of Finance and Agriculture of the Province of British Columbia has authorized the said Commission to issue its debentures to the amount of \$1,000,000, payable as hereinafter set forth:

Now, therefore, in pursuance and in exercise of all powers by the "Agricultural Act, 1915," created

and conferred, be it enacted as a Regulation of the Agricultural Credit Commission as follows:—

1. There shall be issued debentures of the Agricultural Credit Commission to the amount of \$1,000,000. The said debentures shall be dated the first day of May, 1916, and shall be payable on the first day of May, 1941.

2. The said debentures shall bear interest at the rate of four and one-half per cent. per annum, payable half-yearly on the first day of May and the first day of November in each year, and shall have coupons attached thereto for the payment of the interest.

3. The said debentures as to both principal and interest shall be payable in gold coin of lawful money of Canada at the principal office of the Canadian Bank of Commerce in the City of Victoria, British Columbia, in the City of Toronto, Ontario, in the City of Montreal, Quebec, or in gold coin of the United States of America, of or equal to the present standard of weight and fineness, at the agency of the said Canadian Bank of Commerce at New York City, at holder's option.

4. The said debentures shall be signed by the Superintendent of the said Commission, and by one other member of the said Commission, who shall attest and subscribe his name as witness thereto. The said debentures shall be sealed with the Corporate Seal of the said Commission.

5. The interest coupons attached to the said debentures shall be executed by the engraved signatures of the Superintendent of the Commission and of one other member of the said Commission.

6. The said Agricultural Credit Commission shall grant, assign, transfer, mortgage, and pledge all its securities and real and personal property, now owned or hereafter to be acquired, to secure the payment of the said debentures, and for such purpose shall execute and deliver a Primary Deed of Trust to the Yorkshire and Canadian Trust Limited, dated the first day of May, 1916. The said Primary Deed of Trust shall be executed in the name of the Commission by the Superintendent of the said Commission, and one other member thereof who shall attest and subscribe his name as witness, and shall be sealed with the Corporate Seal of the said Commission.

7. The debentures hereby authorized are to be unconditionally guaranteed by the Province of British Columbia, as provided in the said recited Order in Council.

8. The debentures hereby authorized to be issued shall rank *pari passu* and without preference or priority one over the other, and shall also rank *pari passu* with other debentures of the said Agricultural Credit Commission of similar kind, tenor, and effect, and guaranteed by the Province of British Columbia, which may be hereafter issued to an aggregate amount not exceeding \$15,000,000, without preference or priority one over the other.

9. After the said debentures shall have been executed as aforesaid by this Commission the same shall be delivered to the Yorkshire and Canadian Trust Limited, to be endorsed with the trustee's certificate, and thereafter shall be delivered to the Minister of Finance and Agriculture of the Province of British Columbia in order that the guarantee of the Province of British Columbia thereon may be executed by the said Province.

10. The said debentures shall be sold and delivered through the Department of the Minister of Finance and Agriculture of the Province of British Columbia for the price and upon the terms and conditions fixed by the Minister of Finance and Agriculture and approved by the said recited Order in Council. The proceeds from the sale of said debentures shall be paid to and received by the Minister of Finance and Agriculture to be paid into a chartered bank designated by the Lieutenant-Governor in Council to the credit of the Commission.

11. The said Commission shall open and maintain an account with such chartered bank as shall from time to time be the banker for the said Commission, to be called "Agricultural Credit Commission's Sinking Fund Account." The said Commission will pay into the said sinking fund account all moneys received by it in repayment of moneys

invested by the said Commission in loans, mortgages, or other securities authorized by the said Act, 5 George V., chapter 2, together with such further amounts collected by way of interest on any such loans, mortgages, or other securities, or from any other source of income of the said Commission as may be in excess of the cost and expense of management of the Commission, and all moneys so paid into the said sinking fund account shall be applied as follows:—

No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

The Governor-General,

His Royal Highness

The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in

respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

(4.) No notice of intention to introduce a resolution shall be necessary, and it shall be a sufficient method of introducing a resolution for a Director to deliver a written or typewritten copy of the intended resolution to the Secretary, over the signature of such Director as introducer, and thereupon such resolution so delivered and signed shall be submitted for consideration and vote to the meeting of the Commission then in session or at the next following meeting, or to such further or later meeting as the Commission may direct and as convenience of business may allow.

(5.) Full and accurate minutes of every meeting of the Directors shall be entered in the minute-book, and upon being read and confirmed shall be signed by the Chairman and Secretary, and thereupon each set of minutes so signed shall constitute and be official and complete minutes and records of the business of the Commission as therein set forth.

(6.) It shall not be necessary to insert in the minutes the name of the mover or the name of the seconder of any resolution, or the names of the Directors voting for or against any such resolution, unless any Director shall at the meeting request that such names be inserted. Any Director may in respect of any resolution request that all names be set forth upon the minutes, and thereupon the Secretary shall enter upon the minutes the name of the mover of the resolution, the name of the seconder of the resolution, if there be a seconder, and the name and vote of each Director voting in respect of such resolution.

[1054.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 4th day of May, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS an application has been filed by the Corporation of the City of Port Moody, British Columbia, for the reservation from homestead entry and sale of certain lands lying within the Scott and Noon Creeks drainage basin, in Township 39, west of the Coast meridian, and in Fractional Township 4, Range 7, west of the 7th meridian, in order to prevent the contamination of the municipality's proposed water supply:

And whereas the Corporation has also applied to purchase certain Dominion lands for a right-of-way which is required for the purpose of constructing a water main, and further to purchase two small parcels each comprising one acre, to be used for the construction of intakes, one being located on Scott and the other on Noon Creek:

And whereas a joint investigation has been made by the local Agent of Dominion Lands, the Crown Timber Agent, and the Acting Chief Engineer of the British Columbia Hydrographic Survey, who report that the areas which the municipality have requested to be reserved from homestead entry lie altogether within the Scott and Noon Creeks watershed and that any settlement within this area

would be likely to cause the contamination of the waters in these streams:

And whereas the lands situated within the said tract are reported as being rough and mountainous, with a dense growth of vegetation and fallen timber, and generally unfit for agriculture:

And whereas the Corporation of the City of Port Moody have secured from the Provincial authorities the necessary water rights for the diversion and use of the waters of Scott and Noon Creeks and have already cleared the right-of-way applied for and have commenced the laying of their water-main:

And whereas the engineering features in connection with the scheme have been reported as being entirely feasible:

And whereas the scheme is in the interest of the residents of the municipality and the Corporation has shown that it is financially capable of carrying out the proposed works:

Therefore, His Royal Highness the Governor-General in Council is pleased to order and it is ordered as follows:—

1. The lands as set out in accompanying schedule "A," comprising those portions of the drainage basin of Scott and Noon Creeks required in order to adequately protect the waters of these streams from contamination, shall be withdrawn from homestead entry and sale and shall not be disposed of for any other purpose except with the authority of the Minister of the Interior and subject to such provisos and conditions as may be considered necessary, in order that the purity of the water may be retained.

2. Authority is hereby granted, however, for the sale of any Dominion lands which may be required for the right-of-way for the construction of the Corporation's water-main, at the usual rate of five dollars per acre. The width of such right-of-way shall not exceed twenty feet and shall be surveyed by a Dominion Land Surveyor, under instructions from the Surveyor-General, the expenses of such survey to be borne by the City of Port Moody.

3. Authority is hereby granted for the sale of two parcels of land each containing one acre, to be used for the construction and maintenance of intake works required in connection with the said water supply, at the usual rate of five dollars per acre.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Monday, the 1st day of May, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd April, 1916, from the Minister of the Interior, stating that Mike Mnich, a settler on the United States side of the boundary-line in the State of Washington, improved a small area of land on the Canadian side of the boundary in the Province of British Columbia, under the impression that it was in the United States territory. This was done by him under a misapprehension due to a survey post being improperly planted by a Canadian Department, and being misled by the said survey post it was

natural that the said settler should carry his improvements up to the line so defined. Representations have been made to the Canadian Government on his behalf by the United States authorities at Washington, and investigations have also been made by officers under the Department of the Interior, with the result that the land occupied and improved by the said settler has been surveyed by the Surveyor-General and found to contain 6.62 acres, being a part of Sections 5 and 6, Township 22, east of the Coast meridian, as shown upon a plan of survey approved and confirmed by the Surveyor-General on the 10th December, 1915. The improvements of the said settler on the Canadian side have been valued by the Agent of Dominion Lands at New Westminster at \$925:

It is considered equitable that title should be granted to this settler. It is also in view that such an error should be rectified by the granting of title inasmuch as like cases may from time to time present themselves elsewhere, where corrections are found necessary in the International Boundary, in which Canadian citizens might be sufferers by a too stringent enforcement of national rights:

The Minister, therefore, recommends that he be authorized to grant title to the said Mike Mnich for the area of 6.62 acres, as surveyed for the said Mike Mnich, and as shown upon the plan of survey approved and confirmed by the Surveyor-General on the 10th December, 1915.

The Committee concur in the foregoing recommendation and submit the same for approval.
